

## **Rome (ITA), 15 July, 2024**

To: All Member Federations

The FIG AER-TC wishes to notify our Member Federations of the following information.

### **< INFORMATION >**

#### **< WAGC & WCH – Nominative Registration >**

The FIG AER-TC would like to remind all NF that the 18<sup>th</sup> FIG Aerobic Gymnastics World Championships in Pesaro will also be the qualification of the World Games 2025 in Chengdu, CHN (August). Please respect the deadline for the Nominative registration as follows and we are looking forward to your participation.

11<sup>th</sup> WAGC: Until 21 August, 2024

18<sup>th</sup> WCH: Until 28 August, 2024

#### **< ISF Gymnasiade 2024 >**

We are happy to inform you that Aerobic Gymnastics is back in the Gymnasiade 2024. It is scheduled to be held on October 23-31 at Manama, BRN.

This is the event hosted by ISF (International School Sport Federation) and for Aerobic Gymnastics, it is open to our “Junior division” of 15-17 years old (born 2007-2009).

The detailed information will be uploaded in the [FIG website](#) regularly.

We wish many Juniors will participate at this event.

#### **< WARNING!! – Phishing site >**

The FIG AER-TC would like to warn all the NF regarding the phishing site.

There are some phishing sites posing as a live stream of the FIG competitions are circulating. They attempt to steal passwords and other information by tricking the recipient into clicking on a malicious link or attachment in an email or messages.

Therefore, please be very careful NOT TO CLICK on these messages and never access sites of unknown origin.

#### **< Intercontinental Judges Course >**

The Intercontinental Judges Course will be held in Lausanne from November 30<sup>th</sup> to December 3<sup>rd</sup>. The deadline for registration is 16 October. The FIG AER-TC are planning to upload the information on the STS platform, and we encourage all the judges to use the STS platform for studying prior to the Judges Course.

#### **< CoP 2025–2028 >**

The most updated version of the Code of Points 2025-2028 (April 22, 2024) is on the FIG website.

However, there are some questions received from NFs. Therefore, the TC will clarify and share the information but no change of the rule.

### **< Clarification & Reminder >**

The FIG AER-TC would like to Remind the following:

#### **< Group B & C: Elements with turns >**

Part 2, Chapter 5, 5.2.C – Minimum Requirements (page 29)

⇒ To be recognized as **elements with turn(s)**, the turn must be recompleted **minimum of ¾** of the **last turn** or the element will be downgraded to the next lower value.

#### **Examples:**

- If a gymnast tries “Balance 2/1 turns” and completes “Balance 1 ½ turn” – The gymnast will receive the value of “Balance 1/1 turn”.
- If in Group; 5 gymnasts try “1/1 turn Straddle Jump to Push Up” and one of the gymnasts performs just “½ turn Straddle Jump to Push Up” – The group will receive the value of “½ turn Straddle jump to Push Up”.

< **“AMP BLOCK”** >

Part 2, Chapter 5, 5.4.D – 2. Aerobic Content; 2.2 Quality – Variety (page 34)  
 Newsletter #3, December 2022 (page 3)

**To be recognized as an “AMP Block” in MP / TR / GR:**

- > All gymnasts must perform the **same basic steps** (asymmetry/symmetry) with correct rebound technique **at the same time (IN SAME COUNT, NOT IN CANON)** as a unit **CLOSE** to each other.
- > Using different direction (orientation/rotation) and arm movements (asymmetry/symmetry) are allowed.
- > Physical contact between gymnasts is allowed while performing **the same basic steps** in the “AMP Block”.
- > If all the gymnasts **do not perform the same basic steps** (in same count), it will **NOT be recognized** as the “AMP Block”.

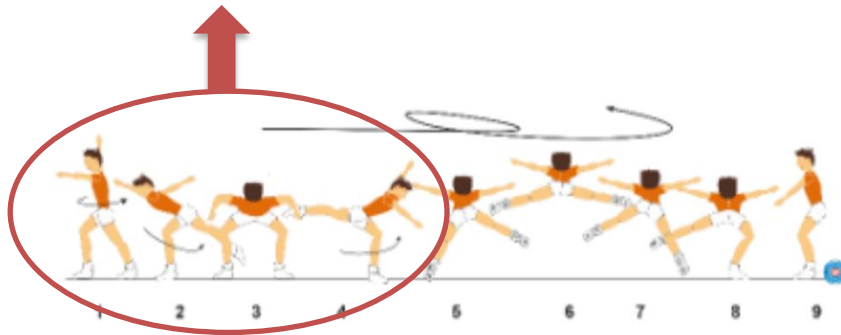

< **Execution Guide – Specific Errors** >

Part 4, Execution Deductions – Specific Errors – Group B (page 51)

**Example of specific errors – Family 4 – Butterfly**

Butterfly: Without ½ circular swing rotation of the upper body on the floor before takeoff: -0.5

Clear ½ **circular swing rotation** of the upper body must be seen.
